

RECOMMENDED SEATING ARRANGEMENT

! WARNING

According to the American Boat and Yacht Council's standard H-28.5.1 recommended seating arrangement must be specified.

RISK OF FALLING OVERBOARD

Recommended seating positions are marked with this symbol:

Add additional persons in the sequences of numbers shown.

Do not exceed maximum persons or weight capacity.

See Capacity Label located by boat's helm for maximum capacity.

Avoid sharp turns at high speeds. Sharp turns at high speeds may result in passengers falling overboard.

Distribute weight of persons and gear evenly throughout boat.

When sitting on inflatable tubes use hand holds provided on tubes.

WALKER BAY 22
