BUILT FOR EXPLORING

For enhancing your moments on the water the Walker Bay 22 has space for your electronics such as chart plotters to help you navigate waters. The 65G fuel tank offers 10 hours of exploring @ 20mph. Offer your passengers shade and a smooth ride to your destination with the optional Bimini top and sunshade. Experience speed with 225HP and a top speed of 50 miles per hour.

BUILT FOR SPORTS

Indulge in wakeboarding, skiing, tubing, foiling and fishing. Tow sports on the 22 are powered by the heavy-duty retractable ski pole and the optional wakeboard tower. With storage in the bow deck locker, keep your water skis or wakeboard tucked away until your next run. Come aboard using the reboarding ladder and rinse off with the freshwater shower. Enjoy a fishing getaway with the optional 4 flush mounted stainless steel rod holders.

BUILT FOR COMFORT

Choose between an extremely roomy and comfortable reclined driving position, an elevated leaning bolster, and a fully upright standing position. There is forward-facing seating for 7 people with comfortable cushions and a full cushion-wrapped gunwale. The deep modified V hull is designed for a smooth ride and keeps passengers dryer in rough water.
