Generation

GENERATION LTE

The Generation Light (LTE) boats are a new category of RIB tenders designed to give you much of the styling and innovative features of the popular Generation DLX, in a lighter construction. The Generation LTE are available in different seating configurations to give you the best layout for your needs. An option with an open layout gives more leg room and space in the boat to move around, and an option with more seating and a built-in cooler. Both options come with two stainless steel cup holders.

Generation 12 LTE

Standard Features

- Ergonomic Console with Hand Rail and Wind Screen
- Deluxe 13" Steering wheel
- Extra Wide 3D Ergonomic Cushions
- Deluxe Bow Step with Integrated Backrest Cushion
- Large Bow locker
- Deluxe Dry Rear Storage
- Stainless Transom Eyes (2)
- 2 Stainless Steel Cup Holders
- Removable Cooler (additional seating version)
- Heavy Duty Stainless Steel Towing Rings (2)
- Stainless Steel Davit Lifting Eyes (3)
- Stainless Steel Deluxe Pop-up Cleat on Bow Step (1)
- Stainless Steel Horn Cleats (2)
